Notes & Comments

#4 I feel that since Andrew HIBBEN was originally a member of the church of England that his family could probably be traced if I had access to English records.

CHARLES?

#5 John Adams Leland said the father of Elizabeth was George. I have researched the entire BARKSDALE family and believe the information given on this chart to be correct.

#31 There are those who believe that Mary, the daughter of Charles HAYES was the wife of Joseph WARNOCK. But since the will of John ALLSTON stated he had children named [among others] Mary and Peter, and the will of Peter ALLSTON calls Joseph WARNOCK his brother-in-law and we know from land deeds that Josephs wife was named Mary, I believe this to be sufficient evidence to list #31 as being Mary ALLSTON.
