Dear Midge,

I am sorry I forgot to tell you where all of us were born. My Dad was born Spring Brook Pa. I was born in Jermyn, Pa. Eric and Carl were born in Los Alamos, New Mexico. Janet and Tommy were born in Frederick, Md. Carl's children were born in Santa Clara, Ca. and both of Janet's children were born in Stockton, Ca.

We are a motley bunch. Tom was born in Alabama. I met him in Rochester, New York. I was working for IBM and he worked for HAU&C and Lomb. He lived across the hall from me. He was inducted into the Army not long after we met but we were married in August of '43 So you can see we will be married fifty years soon.

Tom is a physicist and spent many years in research for defense industries. In the last few years he spent in non-defense companies doing analysis. He retired eight years on the 1st of September. Since then we have traveled and have done our usual things--concerts, bridge, opera.

There are many things I have inherited from my Dad, reading more than one book at a time and his love of Baseball. We have had season tickets to the Giants for about nineteen seasons. I have had to teach my husband. I think of your Grandfather and how happy he would be over the Phillies.

These are a few of the things that have come to my mind. Hope they give you some idea about our family.

I would like to hear from you, and please write if I can be of help. The idea sounds very interesting, though I know very little about how to do it. The Mormons in Salt Lake City have a library which contains family histories and genealogies. Some where, here I had the address but I can't find it. I will see if I can get it at our library or perhaps from a Mormon friend.

I would like to hear about your families. Somewhere I met a young lady who knew Jan. She was substituting at bridge and did live in Sunnyvale at the time. Unfortunately I have forgotten her name.

Until later,

Ruth Halland

It took me several days to find your address. RCH.

Dear Midge,

It was nice to hear from another part of my family. I hear from Ginny Thomas at Christmas time. I also hear from Marie Elias. Ginny sent me a picture of Al at Jan's daughter wedding. He looked so well then but I believe he died soon after.

We have been here so long in California --thirty four years and in the same house for almost thirty three. Seems pretty dull doesn't it. However in our early years we moved a lot. We lived in Schenetary, New York, Los Alamos, New Mexico, and Frederick Md.

My children were educated in Ca. and don't remember much of of the the east coast or New Mexico, though ocasionally we have gone back for visits. Eric is a librarian and lives in Berkley. Carl is a meterologist and works for Lockheed in Sunnyvale. Janet is a nurse in encology at St. Joseph's Hospital in Stockton. Tommy works fbr Starlight Maintenance and lives in Sunnyvale, too.

Hope this gets you started on another ^{branch} of the Elias family.

Sincerely

Ruth Holland

Paul & Linda,

I also am starting to research the ANDRES line. My GGG GM was Katherine Andres, born approx 1801 in Germany, died 18758 in Honesdale, Wayne Co., PA. She married in Germany before 1822 to Michael Racht, born 1801 near Merl-Zell (Mosel). They came to the USA in Jul1857. Michael Racht died in Honesdale in 1862. At present I have no other info but have requested data from cemetary records.

If this fits any of your info please serrnd me a message.

Regards,

John D. von Bergen

I am researching my grandfather's ancestors and recently found the name Andress marrying into the family. I am looking for anyone who is researching the Andress family name so that they may assist me in my research.

I have Jerome B. Andress born feb 1845 in Ontario, Canada. He married my relative, Isabell Gardiner. Jerome's parents were Coke and Mary Andress. Jerome and Isabell lived in Hammond, St Croix County, Wisconsin. Jerome committed suicide by hanging on 10/1/1904, after suffering with cancer.
