Nov 16 - 1966

Dear Robert: What an interesting
letter! I am sorry I can't reply
properly ~~now~~ as I am so busy
getting packed & have to
to leave for A. S. on Sat. 19th

I just want to say that I
saw Jim Snowden (55 Kings
at Church on Sunday. He says
he will be delighted to send
you the pictures of Archdale

Hall to have copied, at any
time. I can't attend to this
until January, but if you
are in town, perhaps you
could get them to a photog-
rapher. Howard Jacobs has
done good work for me.
Across the Ashley River - in
telephone booth - He photographed
the portraits and may have
the films still. If, however, you

Don't get to Charles³ton at this busy
time of year, I will gladly
attend to it in January.

Mr. Snowden said he was sorry
he missed your call, as his wife
enjoyed it very much. He is
a Charlestonian of the old
school & a Polun cousin you
will enjoy hearing - His mother
was Laura Baker, whose
uncle was the last owner of
Archdale Hall.

As to the New York Home, it will
not be so easy. It is owned
by Mr. Owen Geer Jr, whose
wife is a distant cousin,
as her grand mother was a
Whaley. She was Charles Hope
daughter of Mr Robert Hope
deceased. Her mother, Miss
Cris Hope, whose mother was
a Whaley. I do not know how
very well - but I might manage it

I am sending you the visitation
except, Richard McCornell
sent me, as I don't understand
it & you do - Keep it.

Also, I enclose two examples
of Richard McC's jokes about
my age! Latter please return.
There were two plantations
called Creech, the one I know
is near Oakdale in Lancaster
County, where Stark General Hosp.

was in the war. The Elliotts
owned it & my great-aunt
Marie Blakey, who married
Genl. Morris of Morrisania
N. Y. is buried there with her
husband. The other Acrebee
is across the Ashley - I guess the
Bernard Elliotts' Acrebee
in Rochester was Arch Dale.

No more now - must go to
bedding. In haste sincerely
