Dear Reverend Peoples:

Thank you for your kind  
and interesting letter. I will be glad to  
send the Lopez genealogy as soon as  
I can, but probably in January, as  
I am so busy now preparing for  
Christmas. My children live far  
away and I have to send post-  
age. I am particularly interested  
in the BOHUN line, as I only

have the direct line to Edmund  
Molins, Chief Justice. I would  
like to know all the children of  
Nicholas & whom they married. It  
is indeed a distinguished line.

I have been reading your Gules  
genealogy with interest, & looking  
for the name of Elizabeth Gules  
Hobbele, who is my neighbor  
across the street. I also know  
Miss Sue Gules in Duemerville.

Thanking you for your promptness  
Sincerely yours - Rachel S. Logg
