

Dear Robert,  
Believe it or not, I took  
up genealogy to keep out of  
devilment, and because I  
thought it would be cheaper  
than golf, horses and the  
cocktail circuit. Now that I'm  
getting too old and ugly for  
the former, I think I'll start  
collecting Rose medallions, coin  
silver, pyx and cut glass.

In the meantime, you can  
get busy on the Cuters, Bakers &  
Bohuns. Just hope you type  
175 w.p.m. and work over-time  
without charge.

Does the Wm Cuter who sub-  
scribed to Second Va. Co, 1609 fit  
in?

Will keep in touch.

Sincerely,  
Katherine
