Dear Rev. Peoples,
at a reading Vol. 66 - Oct. 1965,
South Carolina Historical Magazine
I found that you are the source
of much information. I'm looking
for to fill in some missing links
in my family tree - and
I was told that you could also
tell me where I might obtain
a copy of "Our Family Circle".

My people are from S.C.
"the Savannah River Project Area"
and Dumbarton S.C. - which of
course is no more. There were
also many Peoples who lived
in the Meyers Mill, Millert, S.C.
area.
You might have known my

grand father Peyton Miles Carter
of Dunbarton, S.C. and my mother
Father - Levis Brabham, Hatterville.
I'm interested in the Carter,
McPherson and Postell lines
for membership in the
Huguenot Society.

I would greatly appreciate
hearing from you.

My sincere thanks

Ermine Carter

P.S. I will enclose a short sketch
to show you - my line.
