My dear Capt. Chaplin:

If I have been correctly informed that
you number among your ancestors one or more of
the Kings of England I shall be pleased to receive
your royal lineage claim and, if available, insert
it without cost to you in the forthcoming edition of

AMERICANS OF ROYAL DESCENT.

To this end it would be helpful if you
would send me any convenient sketch of your
pedigree or, if your ancestry already appears in
print, please tell me where it can be seen.
There will be no obligation to buy the book when
issued even if your lines are included. Announcement
will be made when the book is ready and, if desired,
copies may be obtained at leading book stores.

Faithfully yours,

JOHN S. WURTS

My dear Capt. Chaplin:

I am glad to have your letter and to know of your interest in finding a line of Royal ancestry. Perhaps through the Calvert family this may be derived. Would you care to fill out and return the enclosed chart form placing on it the names of your known ancestors in their allotted places? With this information before me perhaps I shall be able to suggest extensions from my records. It will make me very happy if I am able to help you.

Faithfully yours,

My dear Capt. Chaplin:

The data which you have sent concerning your ancestry is very interesting and I am glad to have this information. It happens that some members of the Calvert family are of royal descent. I do not at present see how you derive royal ancestry. We shall be interested in searching farther. Do you know more about the ancestry of Mary Foster or of Mary Carolyne Smith? I am glad to have had your letters and hope that I may be of some help to you.

Faithfully yours,
