 As Wm Lawton is only known to have m<sup>d</sup> twice, and as the will of the Bro: of his Clark wife, and of three of his children between them, it seems unnecessary to go out of the way to 'invest' another 'Rippon, wife' to account for the "Bro: Isaac Rippon" of his will. It seems that either Isaac Rippon was a half-bro: or, as it is much more probable in view of the known Rippon will, that Isaac Rippon's wife was a sister of Wm Lawton!?

\* Capt. Wm Lawton's will mentions Bro: Isaac Rippon; how brother?  
 Is any Stanyam-Rippon connection known??

\* Wm Lawton's will mentions Bro Isaac Rippon - how bro?  
 200 years past with a stone - Rippon connection?
