There was evidently some delay with regard to the title and boundaries of the Church lands, for Thomas Evans was requested in 1787 to have titles of land given by Mr(s?) Kolb proved and recorded, while on April 1, 1789, Abel Edwards, Abel Goodwin, Enoch Evans, and Evander McIver were appointed "to enquire of Capt. Dewitt the boundary of the Land on which the Meeting House stands, and to report to the next meeting. In Sept., 1791, the Church leased a tract of land from Benjamin Kolb, administrator of the estate of Colonel Abel Kolb, but for what purpose is not stated. A Committee consisting of Abel Edwards, John David, Macky McNatt, Enoch Evans ----- The lot of two acres at Society Hill is said to have been given by Capt. William Dewitt, titles to the property being recorded in 1798 by Evander & McIver.
