Open Letter Number Two to my Dorland Cousins

Correspondence

Response has been terrific! Thank you all so much for so many wonderful letters of encouragement and subscriptions. The subscription rate is \$10 per year for anyone else interested.

Letter from Elizabeth Durland Dupont

"My maiden name is Durland. I have recently attended the Ruggles reunion in Annapolis N.S. and had a wonderful time. I am tracking my Durland line down to Jan Gerretse Dorlandt through Daniel Durland Orange County NY who went to N. S. in 1783 (a loyalist).

"There are many Durlings in Anapolis County. All were Durland Dorland until about 1850 when the clan seems to all change to Durling. A. J. Dexter has compiled a rather complete ancestor chart. See Nova Scotia Archives MC100 Val 31 #9."

---Thank you for writing. We would certainly appreciate more specific information, at least on your direct line, so that we may better identify your relationship to the rest of the cousins.

Letter from Philip G. Crook

"The James Durling of Orange Co, NY that you refer to on page 5 of the first issue, had a son John (b.12-1-1847) who married Julia Blakely (b. ca 1849).

"Julia was the daughter of Sarah Crook (1812-1902) who married James Blakely (I have his genealogy) in Erie Co, NY. Sarah Crook was the daughter of William and Sally Crook who was my direct ancestor.

"Julia and John Durland had 2 children, Sarah and James, and lived in E. La Cross, WI. In the 1920 census, I only find Julia, 68 years old, born in NY and still living in La Cross.

"I would very much like to find out what happened to this family, but have been so busy

with other branches of the Crooks, that I have not been back to pursue this one. If I find out more, I will write you."

---Thanks for writing. Maybe some of our readers know of this Wisconsin connection.

Letter from Rose Adeline Culver Vosler Including Additions and Corrections underlined

I am the granddaughter of Alexander and Adeline Durland Wilson of Dallas Twp Luzern Co PA. Adeline was the sister of Archie Durland. There were no other surviving siblings. Charles Durland was not a brother to Archie, 1910 PA census.

Chester C. and Jennie A. Wilson Culver in 1926
parents of Rose Adeline Culver Vosler

Archie was the son of James Eaton Durland, not Charles, and his 2nd wife Mary A. Goodrich. Adeline and Archie were half siblings to Denton Dewitt Durland. The other sons of James E. and Adeline Smith Durland, Alva and Nelson, died young.

I personally remember my great Uncle Archie Durland visiting us when I was a small child. I also have a picture of Uncle Archie and Aunt Hattie. I knew as soon as I saw the picture that this was my great uncle. I never met Aunt Hattie. I was born in 1931, so I assume those visits were after he was widowed.

It is kind of ironic that I had talked to my Aunt Mabel Wilson just recently. Her stepson, Nelson Wilson my cousin, recently passed away and his widow gave her a box of pictures and family information that she will send to me, knowing I am doing genealogy on the family. She said there is a lot of Durland items in it. It seems that Alva Durland, Tom's father, sent it to Nelson Wilson some time ago. I will see what it reveals.

Part of a letter from Bev Collins

"I didn't graduate from college due to the birth of a daughter. I met a young man from Bombay, India and we were going to be married, but his parents would have disinherited him and we felt at that time it was best to go with their wishes. His name Kirtikumer (Kenny) Dalal. My daughter has not had the opportunity to meet her biological father and one day we hope they will. My daughters name from this relationship is Lani Ann Roberts. She works in Billings, MT with a credit union, head teller, has graduated from Rocky Mtn College, Billings, MT. Also attended MSUB Billings formerly Eastern Mtn College. Lani attended school in Thermopolis, WY where I raised her. She was 13 when Jerry and I married. Lani is a beautiful young lady, small in stature, very bright and ironically she plays the same instrument, the flute, that her father does. Lani would like to find her genealogy on her father's side and if you have any knowledge on how to

go about international studies, we would be most interested. Lani's father was attending MT State the same time I was and he was sturrying to be an electrical engineer."

---Thank you for your letter. I see that you have a much closer cousin than I, one whom I have been corresponding with for more than a year. Jerry Estruth is my eleventh cousin but he is your fourth cousin once removed. His address is 1254 University Ave, San Jose CA 95126. You two have a common ancestor in William Dorland Jr. (1778-1823).

Part of a letter from Helen J. Anderson

"It interested me to know that your great grandmother Sarah Eliza Dorland married Edgar Denton. I have several in my line with the given name of Edgar and several also with Denton as a given name. I knew Denton Layman who lived in the town of Newell, Buena Vista Co, IA. He was a cousin of my grandmother and served as post master of Newell for many years."

Trip Report

The editor of this newsletter and his wife Betty recently spent 2 1/2 weeks researching in the south for more information on her ancestors. We stayed in MO and TN and then from SC to TX staying overnight at least one night in each state all across the south. We attended the Cobb family reunion in Weaver, AL near Anniston. On the Dorland side, we personally wanted to try to find Dorland descendants of the line of folks from NY that went to Mobile, AL. A Philip Dorlon held an office there. It was not

possible to physically go to Mobile on this trip and the only information we could find was in an 1870-90 city directory of Mobile. We will continue to use the USA phone directory from Denver to try to find living descendants of these cousins.

Notes

Are there any Dorland family picnics or reunions that happened this summer to report on? Are there any planned for the coming year that we should be announcing?
