Dear Cousin Robert,

You have really done it! I
can't tell you how thrilled I am
with the DuPont chart! I'm sure
no one but you could have possibly
untangled the mystery of which
DuPont was whose ancestor.

Yes, I know Sue Lewis is
also thrilled with your discovery.
We have been in touch for
several years now. In fact I
had colored photographs done of the
DuPont portraits by Comper that
she has. They are lovely.

There several other descendants
of brothers Joseph and Charles
Henry who I am sure would
like to purchase the DuPont chart.

I will send them your address etc.

Did you read (did I send you one?)
"An Memoriam" to Judge DuPont
read to the Florida

after his death? It is quite impressive
and really impressed me with the
statue of the man.

Yes, we hope Mr. Adams and
I can get together and erect an
Historical Marker to the Judge.
What a pity his grave is unmarked.
Some one noted that he requested
that his burial cost no more
than \$12⁰⁰! So, no wonder!!

By the way, is one of the Abraham
DuPonts on my chart. The one who
has the plague in the Hague not

church in Charleston?

When you finish your research on the Postell family, I would like to purchase one also.

Somehow I have misplaced the names in S.C. application - so if and when you have the time - send me another.

I am hoping that someday in the near future that I have the pleasure of knowing you and your wife personally. It's sad that before you and I started our correspondence - we spent the month right there at Hilton Head. If ever you are up here, please let me know.

You can never know how happy you have made me!

Gratefully
Ermine
