The Rev. Dr. Robert E. H. Peeples
8 Moon Shell Road
Hilton Head Island, S. C. 29928

Dear Rev. Dr. Peeples:

I certainly appreciate your letter concerning the Folk, Epting and Inman families. Fortunately, when we worked on the "Folk" family, we had several persons, who were researching that family and I hope they can be of some help to you.

Dr. Ronald R. Smith, 1209 Calhoun Street, Newberry, S. C. 29108 is compiling data on the "Folk" family and another member, Mrs. Daisy Koon Hinson, 309 Chambly Drive, Columbia, SC 29209 is also collecting "Folk" family data. I have forwarded copies of your letter and materials to them and asked that they work with you.

Mr. Ted Epton, RD 2, Box 272, New Tripoli, PA 18066, has published a book - "A History of the Epting and Epton Families of South Carolina". This includes your John Adam Epting. The cost is about \$25.00, including updates he has made since he published it in 1979.

I have no information on the "John Inman" family but will pass the information to our "Dutch Fork Digest" editor and ask that she use it in our "Query" section of the next publication.

I am sending you an application for membership in the Dutch Fork Chapter, SCGS, if you would be interested in joining. We would love to have you as a member, however, please don't feel obligated! I am also enclosing a lineage chart. Please fill this out...print in pencil, black ink or type...and return it regardless of your decision to join our group. We can use it in our book to be printed this fall. Please return it as soon as possible. We need twenty seven (27) more. This is a good way of locating relatives.

Again, thanks for writing and I hope these new contacts can help you trace your family heritage.

Sincerely,

Carolyn L. Harwell, President
Dutch Fork Chapter, SCGS
