was talking of ancestors today.

Mentioned Carl & said he never did get anything from Carl, but that he was interested in family tree. I mentioned you may be able to help. He said he would be glad to pay for services. Bob, if you can, it may be worth your while to drop him a line. He operates filling station at foot of Broad St. on East Bay -

Saw mother Sunday. Seems to be doing well. Had not put her feet over side of bed yet but expected to try it Sunday into ~~at~~ Monday AM -

Glad to have seen you + Cora -

Love, Randy
