Dear Robert,

I am so glad Cora and you are coming to our Annual Meeting. I knew you would, felt you would, because of Tom and his speech.

Robert, is Tandon going to be ready for number 87? Oh, I do hope so. There must be many Tandon descendants, but if they are typical, they do not even know Tandon is Huguenot. People are very funny, meaning peculiar. I know someone descended from the Mayflower group. When I asked why he didn't join the Mayflower Society, he said "Oh, I don't want to be identified with that Yankee bunch." How I wish I could have been in his position (descended from Mayflower) and making that comment. Give that gentleman a round of applause!

I'm mailing the application to Mrs. Stone with this. Why aren't you going to California and Oregon with Cora? I wish I were in her suitcase. I'd be enthralled with any kind of trip, if only to Sumnerville. I'm sending \$6 to Mrs. Stone. If she joins, she would get it free anyway.

Love to both,
Martha
