Dear Dr. Peeples! -

Thank you for your letter of July 22nd.
No doubt you know that I place an
order for "Our Family Circle" and re-
ceived it in due time -

Some time ago I wrote to Mrs. Lanton
but have never received an answer -
I wanted to know if there is a Coat of
Arms for the Jaudon Family. Do
you know?

I have been trying to trace the Perry
and Jaudon families and putting
it in Book form - I was doing this
for my son in law Bryan Jaudon Perry
Jr. - Of course will be more or less a little
Booklet. When I get this completed maybe
I could turn over to you the Perry line,
if you would care to have it - B. J.'s
2nd great grand father Edward

Perry married Mary Hyne Jaudon

Please be kind enough to let me know if there is a ^{Jaudon} Coat of Arms -

Please also, let me know if just what the cost is to become a member of the Carolina Huguenot Society -

Thank you very much.

Sincerely

(Mrs) Nathaniel M. Palmer

Dear Cousin Dr. Peeples:-

I would like very much to claim
blood Cousin with you. But, unable to find
a link. My mothers are the Martins, Amblers
and Harpoods of Charleston & Pickens - Dads
are the McHughes, Jones and Westmorelands
of Greenville and adjoining Counties
The first Westmorelands who came over were
Earls and Lords of England also the Nevils
who are on the Queen Elizabeth line

But first let me thank you many
times for the Jaudon Coat of Arms. I will
certainly use it in my little Pamphlet if
and when I ever get it finished and
right here I would like to ask you - Will
it be permissible for me to copy from
the book "Our Family Circle" the Jaudon
record? The Printer told me
it was very often done even
with out permission from anyone

There is no other way I can get a complete record - I do not plan to see the book or to Copyright it either. You see when I began this it was only for the family but others have seemed interested and want one =

I have a big book of Records on all sides of all my families as far back as some 1600's. I have worked with it over a period of years. a little at a time - I was secretary to Dr. DeWitt L. Harper E. E. N. T. for 20 years, retired 1964 after a serious illness following Surgery for Gastrectomy - After all what can you expect now from some one who has been living on Borrowed time for fifteen years, yet, I'm warning you not to say I am "old" just getting older, 50! Well, anyway my brain doesn't work

as well as it did, and at times my "Thinking Cap" is on crooked - Please don't think I want to burden you with my ails & ills. I am active and besides doing some housework I usually cook the evening meal for my daughter, husband and my great grand child who is 8 years now.

I would like to know some of the living
 1) descendants of the Baynard family. I notice one child of Ephraim Baynard ~~was~~ ^{has} "Nathalie" - my name is unusual very few of us - I was named for my mother's brother's wife - Harriette Nathalie Feaster, Mrs Albert Martin, whose ^{husband's} father was Phillip Bower Martin married Elmira Elkin Hagood, daughter of Benjamin Hagood, whose father was James Hagood + Martha West. Phillip Bower Martin was the son of Jacob and Ann Geneva Martin of Charleston S.C.

my mother was Elizabeth Martin
 who married Simeon Thomas
 McHugh, she ^{is} the daughter of Phillip & Elmina.

Margorie's husband Bryan Jaudon
 Perry's Jr. was son of B. J. Perry Sr.
 his father was Charles Perry and
 his father was Edwin Perry all
 of Ridgeland - You will find the Perry
 family on Page 209. "Our family
 circle" Of course these Perry are de-
 cendents of Handgren Smith -

Please do not think I have been
 a little to personal in this letter
 but I feel I have known you for
 a long while - I have always been
 frank, open and above board and
 sorry to say, sometime say what
 I think to regret.

Anyway we will leave Wednesday
 Thanksgiving Eve to spend the hol-
 iday at the Chee Cheeses River Cabin
 It is a crude cabin but we hope

to remodel some day - It's alright
during the summer & falls the bill
during Thanksgiving & Christmas -

Do you have a church in Hilton
Head? I have been there several
times - We are Presbyterians -
members of the First Pres. Church -

I have a second Cousin a Mrs
Palmer. (Palmer no. 100) I have never
seen her. Her mother was the daughter
of my mother's brother, Albert Martin
and Harriette Katholie Easter Martin
of course she was my first Cousin -
This Mrs. Palmer lives in Hilton Head -

Why have I written you such a letter
in detail - I don't know, Guess I'm
wound up - "Thanks for listening" -

Sincerely a friend
or Cousin Nathalie -

P.S. Do you know of I Waring, M.D. of Columbia? I think con-
nected in the Jordan or Hyrve family - Until a few months ago
he was Editor of the S. C. Historical Society Magazine -
