Dear Robert,

Picked up all the Jaudon material and the Luther book yesterday at Georgia Historical. Sorry I won't see you on Saturday, but the weekend will be full anyway. The Scottish Games are Saturday, and just found that Miles' parents are coming for the weekend.

I am anxious to go thru all the material, and will as soon as I can. Mrs. Burns does remember-I hope-to pick up first on #9 where THSSC #87 left off, before this #17???

I have started on the Luther book, and think it lovely - what times they went thru! It certainly shows how widespread this Jaudon family has become.

Give my best to Cora.
