Miss Florence I. Lawton,

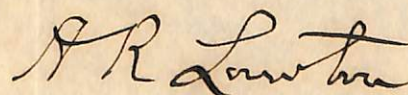

Estill, S. C.

My dear Cousin:

I am very sorry for the delay in returning the copy of the Lawton Coat of Arms which you so kindly lent me. It has been due to various causes, and I hope it has brought you no inconvenience.

I return it to you herewith with thanks. I was glad to receive your recent letter telling me the information which you were gathering for me would shortly come. It would be very much of a job for me to gather and send you data of what I have. I would suggest that it would be best that I should wait and receive what you send me, and then if I am able to supplement it by giving you any information that you do not possess, I should be glad to do so.

Yours very truly,

ARL-W.

Miss Florence I. Lawton,

Estill, South Carolina.

My dear Cousin:

I must apologize for delay in answering your two interesting letters of the 20th and the 24th. I have had so many matters to attend to that I have been unable to do so until now. Particularly do I thank you for the book in which you have so laboriously transcribed the records of the Lawton family and for the copy of the Smith Coat of Arms which you sent me. You have indeed done a great deal of work. I have read the book with great interest. Some of the information therein contained I did not have. I am very much obliged to you for your kindness.

Yours very truly,

ARI-W.
