Dear Miss Lawton:

Mr. Joseph A. Lawton entered Colgate University in the class of 1839. I am referred to you as one who can probably give me information about his life. I desire to know the date and place of his birth, his occupation, distinguishing facts of his life, and date and place of his decease.

Two other Lawtons appear in our General Catalogue, with incomplete records. It is possible that you can assist me in adding to the records of Arthur Thomas, class of 1882, and William S. Lawton, class of 1846.

If I am fortunate enough to have your assistance, I shall greatly appreciate this information.

Very truly yours,

E. W. Smith
