Question: Did John Rutledge Smith ever
live in St. Pauls Parish or did he only own
land here? Being as how he was married
to a ^{sister} Ladson, I thought perhaps he did.
Dr. B. B. Smith ended up owning the same
property described ^{above} ~~about~~, sometime between
1816 and 1855. A Dr. Ben Burgh Smith
lived in Adams Run about the time of
the Civil War. Was this the one shown
on ^{the} Chart enclosed? Who ^{was} the other one
I show at the bottom of this page
who was ^{his} ~~a~~ contemporary (1820-1905) of
the ^{grand-}son of John Rutledge Smith? This one
was born in 1835 and was still living
unmarried in 1903 at the publication of the
