Dear Dr Peeples,

Thank you for writing to me concerning the First Families of South Carolina.

I am descended from the 1st Landgrave T. Smith and the second Landgrave through his son Benjamin

Smith who married Eliz Ann Harleston. Their son Thomas Smith married Esther Screven.

I belong to Magna Charta Dames through the Harleston line.

Descending from the Bigod family.

It is so good of you to extend me an invitation to join the First Families of South Carolina.

at the present time I have too many commitments to respond with my lineage. However I intend to keep in touch with you.
