

Finally we've gotten the delayed  
Birth-Certificate put in the Hampton  
Co. Health office. She wanted to know  
if we wanted Social Security - no.  
Did we want to travel by boat or air -  
no. Same places, like our marriage  
book Mr Pinkney filled out. Spelled  
the name Ramsey. <sup>the birth dates.</sup> I had a note  
Carolyn had ~~delegated~~ <sup>in fact</sup> ~~from~~ <sup>given to</sup> the lady  
over her ~~telling~~ <sup>giving</sup> me that if she  
didn't want to do it to call her  
and she would tell her to do it.  
I showed it to her. She finally  
called the Court house and got  
his birth date and the name  
spelled as it should be. We got  
a notarized paper and a copy of it  
notarized -

There are no records of any of  
the Ramsey children being christened,  
nor Mrs Ethie's marriage to Uncle John,  
nor ours, <sup>nor</sup> Dorothy ~~nor~~ Carolyn or  
Mike's christening. That record book  
has been gone since before our  
church here was built. I looked  
up Christ Church records and another  
Rev. Haynes Worth was there and wrote  
that there were no records but to transfer  
no anyway. I asked Mr Query if he

Finally, we've gotten

I knew if the book was there in the Dixie School office. He didn't remember seeing it. Do you suppose Bishop Thomas borrowed it (or Mr. Pull) when the history of the Epis Church was being written? There was a record of Mr & Mrs Ramsay being confirmed and Dorothy's birth - a record of Daniel Benjamin as being Sectl Treas. 1898. Would Tom being called on and Mrs Ramsay being in 1920. The only record I had that she was in Epis was there.

Mr & Mrs Ramsay were married in Lawtonville - The Baptist nor Methodist churches do not keep records anywhere. I had no trouble finding my record when I was christened in Kinston, N.C. after I may have to have help in filling out the papers. After all this I may get something wrong.

We all going to Carol's for Christmas there. Ernest + family will meet us. Recently married to Ed Grady. He is a retired teacher of N.C. schools - taught with Jim Higgen in a play and just finished a play in N.C. He also does commercials was in France not long ago doing
