Dear Coz. Robert,

You recall you FIRST started calling ME, COUSIN, so I'm keeping it up! It was a TERRIBLE disappointment to me that I didn't get down to Charleston last August to the Unveiling of the Marker to our famous ancestor. At the last minute an accident prevented our crowd from going. Everyone said it was an overwhelming success, and I knew it would be, with YOU AT THE HELM.

I did get a glimpse of the splendid program you used for the occasion and am NOW BEGGING YOU TO PLEASE TELL ME WHERE YOU OBTAINED THE INFORMATION IN THE FIRST PARAGRAPH. I am ALSO BEGGING YOU TO PLEASE SEND ME JUST AS MANY OF THE PROGRAMS AS YOU HAD LEFT OVER. My ANCESTOR, Francis Britton, Jr. married the GRANDDAUGHTER of Landgrave Thomas Smith (the Younger) and in my IMMEDIATE BRITTON CLAN there are 45. I would be SO DELIGHTED to get enough programs for each one, if possible. If you do not have that many, I shall BE MOST HAPPY for what you can send me.

I'm enclosing <sup>some stamps</sup> /to defray postage on programs you send me, and I can never tell you how VERY MUCH I DO APPRECIATE THIS GREAT KINDNESS.

One of these days I hope I will have the great PLEASURE of meeting & talking with you, Coz. Robert.

MOST SINCERELY,

Are you interested in getting a photograph of the OIL PAINTING OF LANDGRAVE THOMAS SMITH, which hangs at MEDWAY PLANTATION??? I have recently gotten a photograph of our ancestor.
