Dear Cousin Bob

Yes, Niles and I will be there
at the "spot", 2:45 pm on Sun-
day, the twenty-seventh.

I spoke to Mother and Daddy
about the relics they possess
which belonged to Landgrave
Smith. They consented to your
plan and, today I spoke with
Mrs. Prior at the S.C. Historical
Society. She is trying to find
a suitable exhibit case...
while on that subject, did you
know that there is considerable
doubt that the portrait we are
to "view" is actually of the
II Landgrave - my first suspicion

was raised due to the clothing ³
worn by the gentleman - Mother
has come to believe that he is
a grandson of the same name as
the Landgrave - it is a ¹ few
portraits and the ligatures "dash"
- oh well, we don't have to
delve into that.

Appreciate your kind thoughts
on the family. Mother has really
had a time and poor Pa is so
ill - lies in Paper again as of
today -

We want you and Cousin Lou
to visit us in Mt. Pleasant while
you're down for the event - oh and
let me congratulate you on the
marvelous job you've done in
working the gathering up.

My best to you both!
Louise
