Dear Mrs. Salley:

At long last we located the records, then my wife had a setback which caused another delay. She had a very bad left leg that became infected and swollen due to her diabetes condition. Thank goodness she is doing nicely now.

Am enclosing what we believe will be helpful to you and your husband.

We are pleased your husband was duly admitted as a member. Welcome aboard.

We would be most grateful to have a corrected page no. 4 of Rev. Stoney's compilation.

Sincerely,

Copy: Cousin Robert Peeples

*Our love to Miss Cora. We think of both of you often.
Enclosing check for scholarships.*
