

I have not assembled these records
as yet. Am trying to get my family
worked out first.

Have asked Mrs. Marshall to keep me
posted as to The Crawford Research
Pg. 1

The Crawford family lived on Edisto
Island, plantation called "Crawfords"

Ref Mrs. W^m H. JENKINS Wadmalaw Isl.

Mr. White, who now owns Wadmalaw Island
copied the records from the cemetery
his name on the tomb is spelled
"Blakenwood" NOT Blackwood

as shown in the SCHM, as reported
by Miss Rummel. She also had
some wrong dates with send you
a copy later
