## P R E F A C E

Once again, LAYMAN-LEHMAN RECORDS AND LINES is ready to be printed. Volume VIII has some interesting branches and queries. I wish to thank all of you who have sent material to be published. Please continue sending in queries and also send in your Layman/Lehman "line" if you have not done so.

Please remember that these branches are clues. You need to locate the original source records, (primary source records), for your documentation. I appreciate receiving branches that have sources listed. The booklet publishing information on page 40 explains the series and the manner in which to submit your branch.

Volume 45 #2 (1966) of *Drumbeat Bulletin*, the publication of the California Society of Sons Of The American Revolution, has a short article appropriate to our research. The title is *The Pitfalls of Conclusion Jumping*. If anyone wishes a copy, please send me a self-addressed stamped #10 envelope.

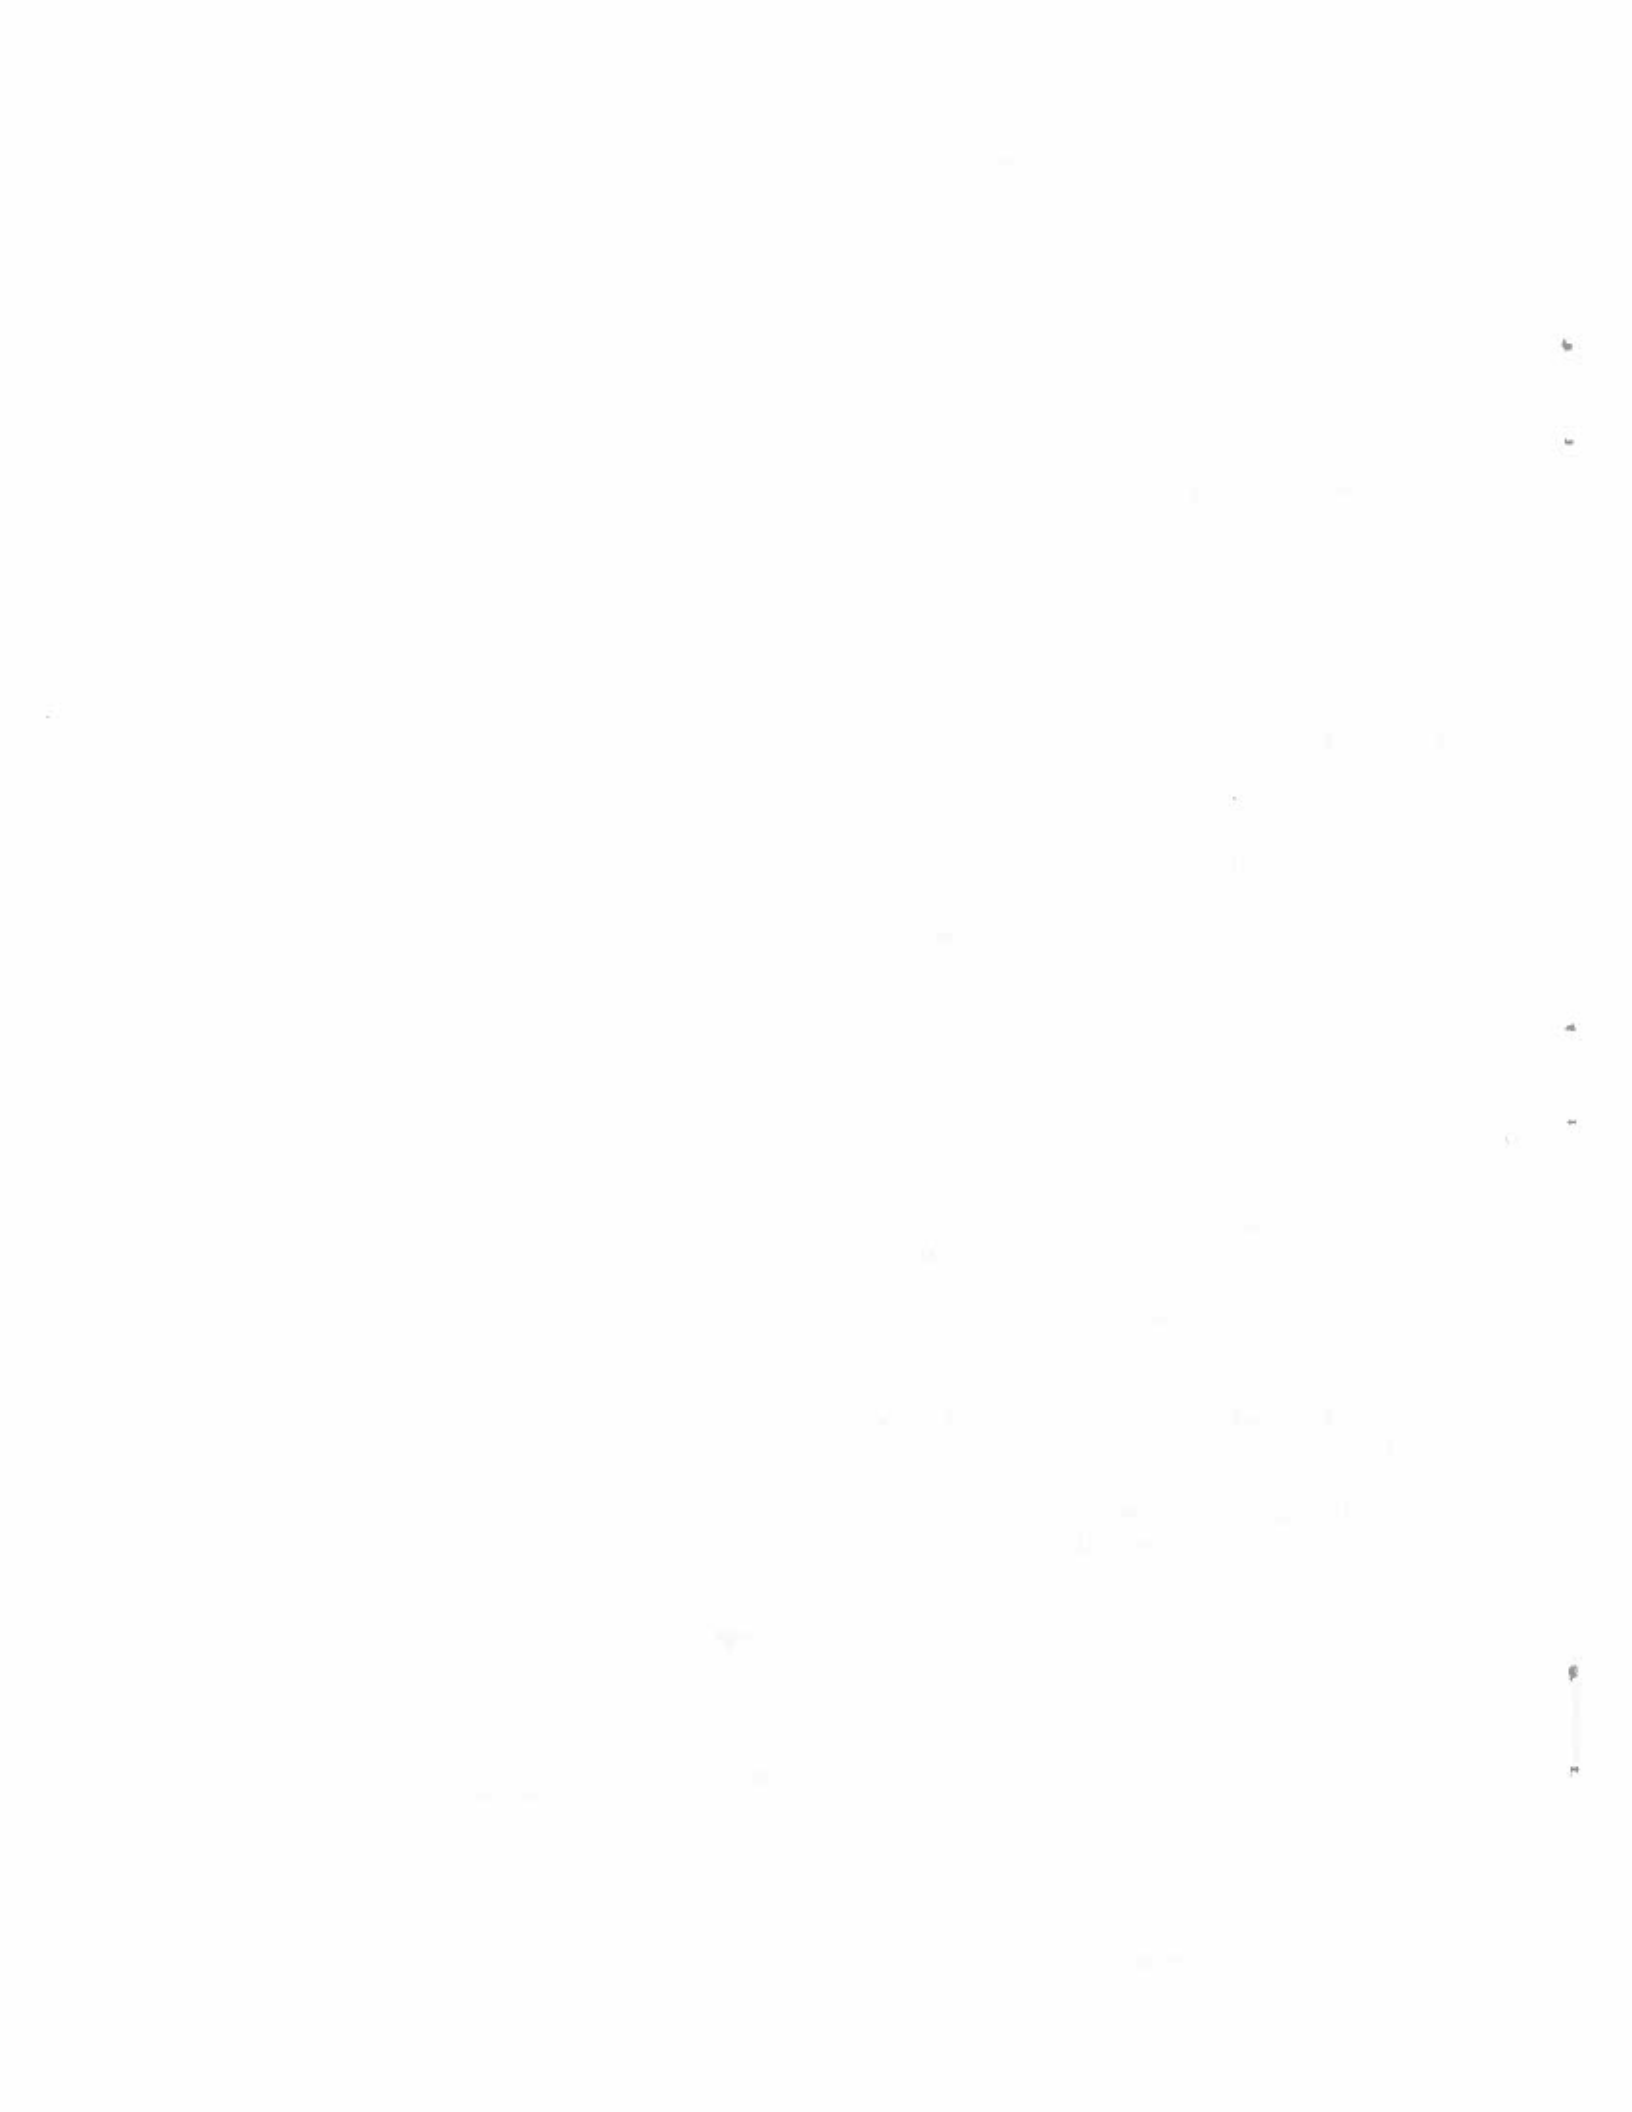

Our surname has undergone many changes in the spelling and pronunciation of the name. In branch #41 in this volume, you will find a note that the LAYMANS surname changed to LEMONS. Also, see Lewis A. Lemon's query on page 31. In the material that he sent to me, he wrote "The family name was originally spelled LAYMAN but it was changed to LEMON after the Civil War. Grandma Louisa LEMON said that everybody pronounced the name like the lemon fruit and spelled it that way, so they decided to change their name instead of correcting people all the time."

At the end of this volumes is a short list of LAYMAN-LEHMAN persons listed in various books. I hope this of interest and will help you.

Using the words of College of the City of New York's motto printed above, we do look back, look on and look forward in our family search.

Happy family hunting,

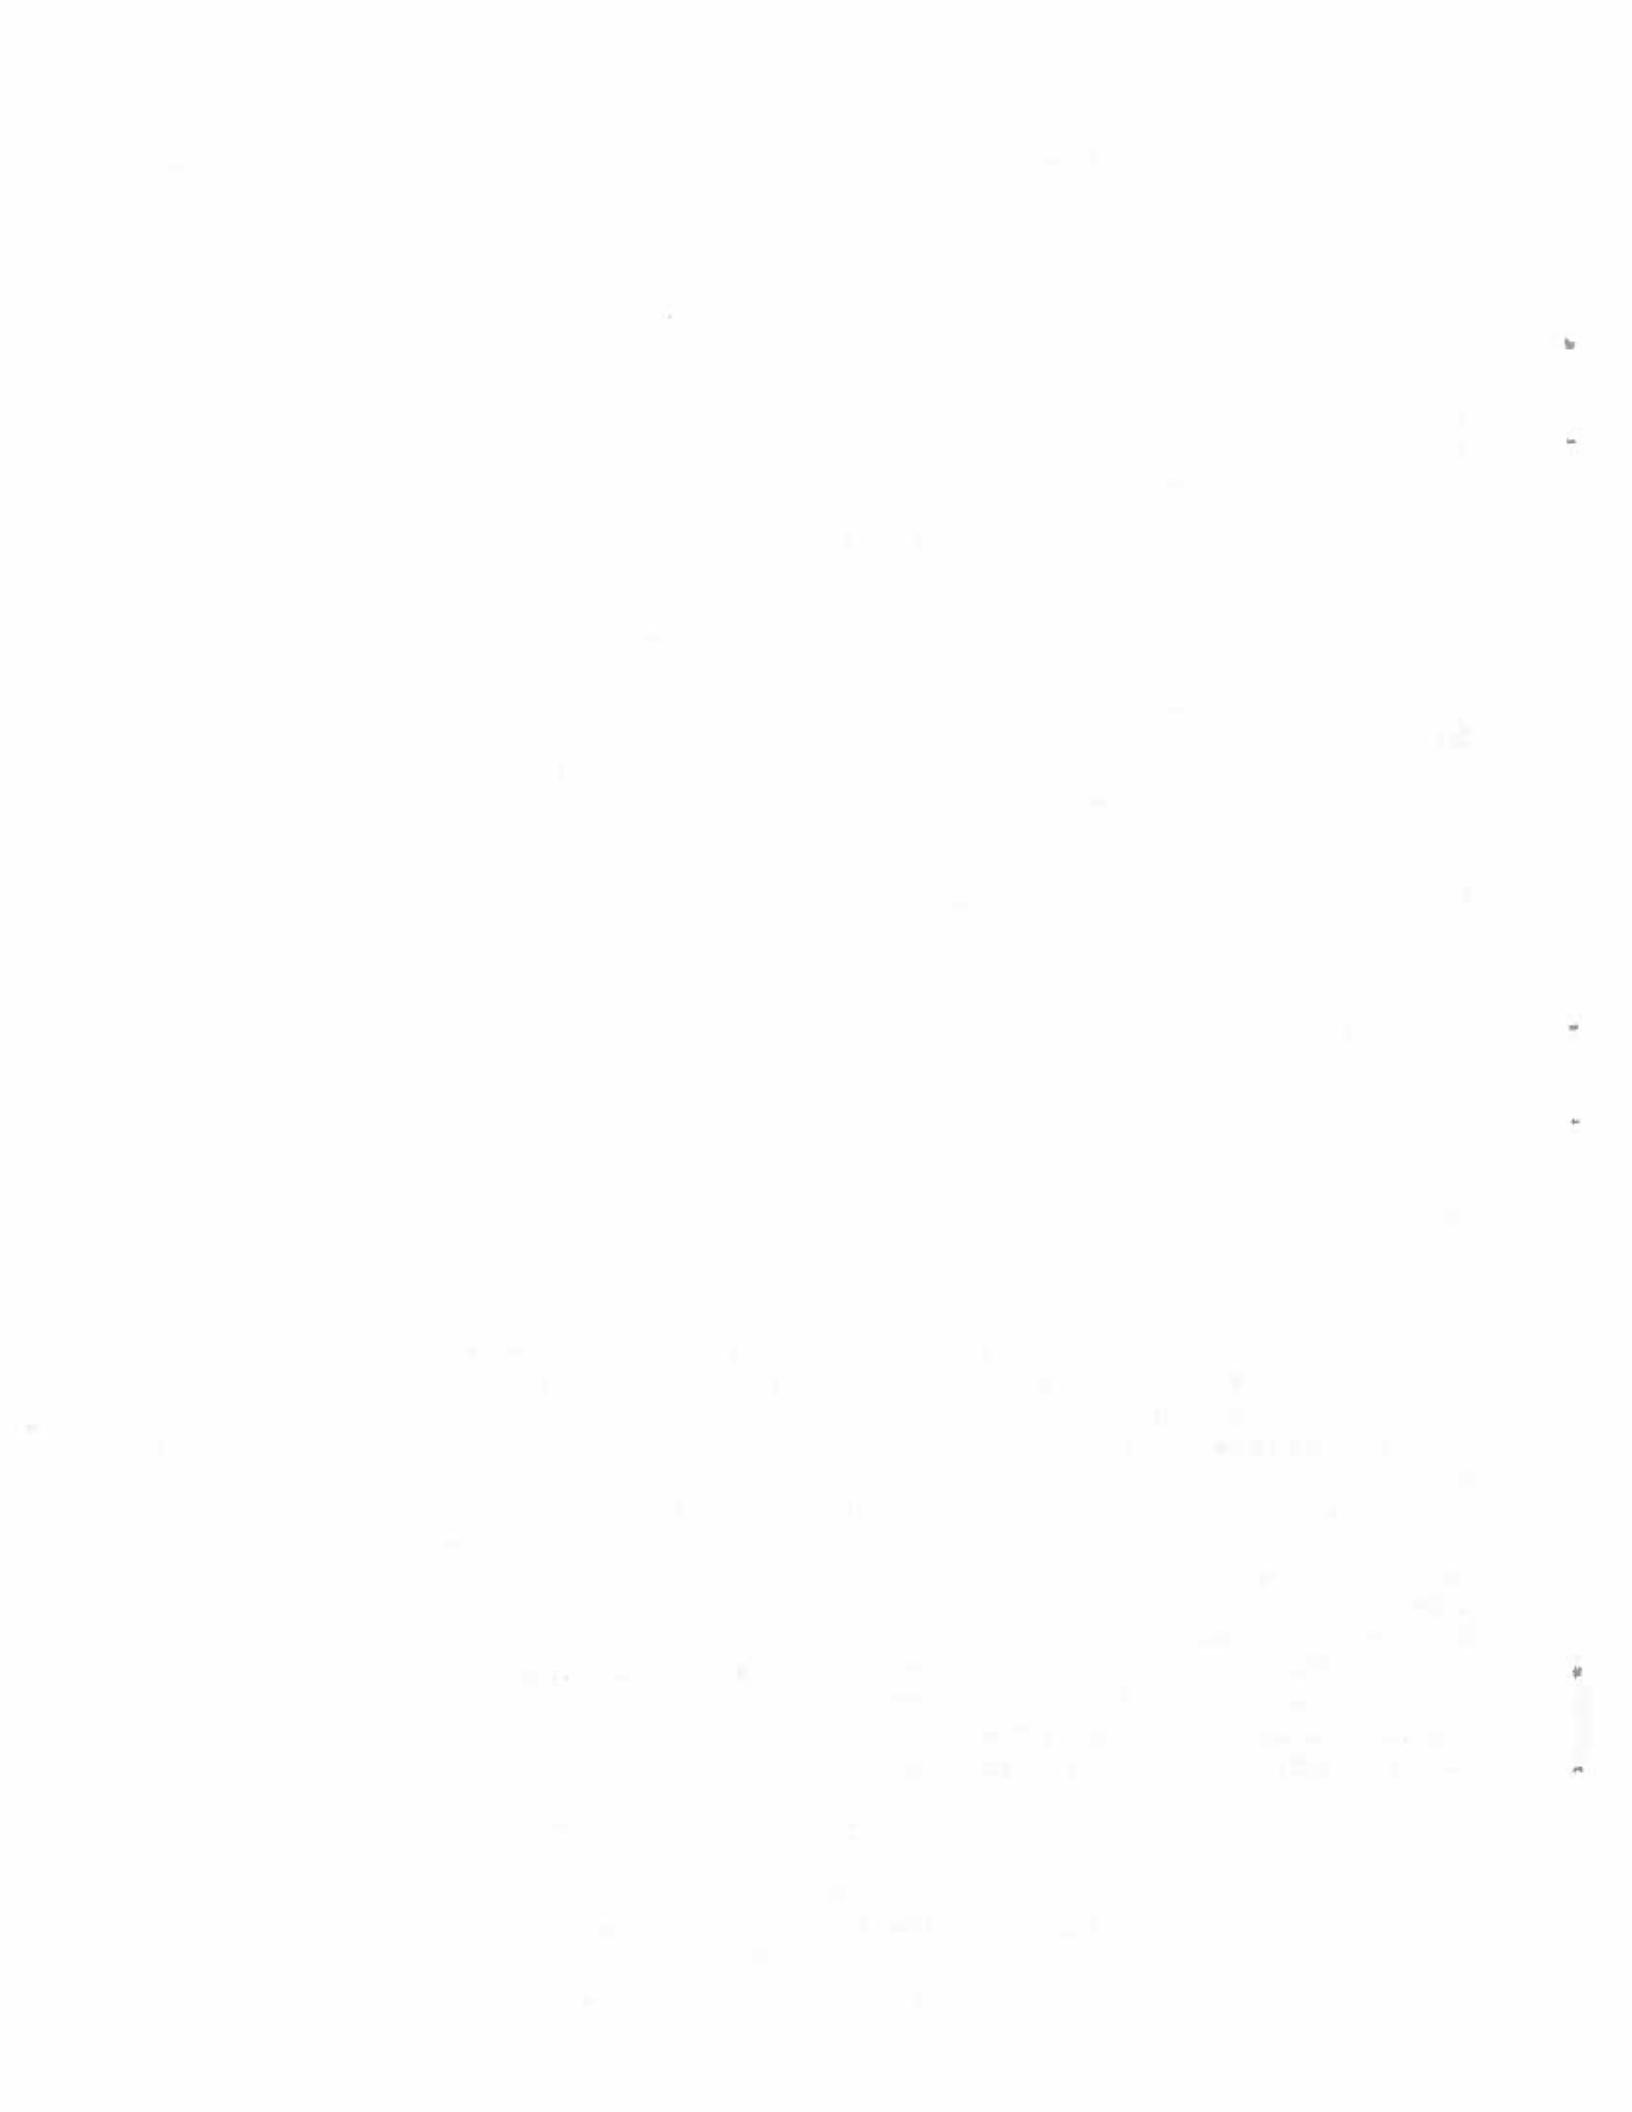

*Laurine*

*A Tree In A Forest, Linneaus Sheetz Lehman (1862-1918) and Alice Basehore Brandt (1865-1947) Their Ancestors And Descendants;* by Thomas R. Lehman, 1985, 90p., illustrated, index, 8 1/2 x 11 inches, soft cover. \$10.00 postpaid. Order from Mr. Thomas R. Lehman, P.O. Box 358, Palmyra, PA 17078.

The book begins with Chapter I. Our Lehman Ancestors. Beginning with Hans (John) Lehman b. ca 1700, possibly arrived 1727 in Philadelphia. The author gives other information about Hans including his children. Hans' son Abraham resided on his father's farm in Rapho Township, Lancaster Co., Penn. Mr. Lehman continues his line down with 3 more generations of Abraham Lehmans down to Linneaus Sheetz Lehman b. 1862, d. 1918. From there the line continues with information about Linneaus and his wife and their descendants.

There are brief chapters on other ancestors of Thomas R. Lehman: Sheets and Bohr, Brandt, Basehore, Laubscher and Long. A bibliography follows each chapter.

Chapter VII. relates the history of the Linneaus Lehman Family Reunion beginning June 4, 1967 in Campbelltown, Lebanon Co., Pennsylvania. There has been an annual reunion ever since. Mr. Lehman has included a list of Lehman descendants responsible for each reunion.

## IS YOUR LINEAGE PERMANENTLY RECORDED FOR FUTURE GENERATIONS?

Layman - Layman - Records And Lines is a surname booklet series about the LAYMAN-LEHMAN (all spellings) families containing miscellaneous information, branches-lineages, queries and an every name index. Through the combined efforts of the contributors a repository is being created for researchers.

JOIN US!!! There is No Charge and No Purchase of the Booklets is Necessary for you to have your branches, queries and records published in this series. Each issue will be printed on an irregular schedule and will have at least 25 pages plus the every name index.

Please send me copies of any records that you wish to share with others and cite your sources whenever possible. Of great importance are Bible records, old letters, as well as wills, marriages, obituaries, etc.

LAYMAN-LEHMAN (all spellings) branches (lineages) should be sent in on family group sheets or with a computer Genealogy Program group form, starting with your earliest ancestor, continuing on down to yourself. Please, always cite your sources.

Branches will be published in detail down to one generation past where the LAYMAN-LEHMAN name is lost; i.e. the children of a LAYMAN-LEHMAN woman will have their details printed. Thereafter, for each generation, only the vital information for that generation will be printed. Details about the contributor will be printed, including children and grandchildren if they wish. By using this method the majority of the lineage information will be about the LAYMAN-LEHMAN (all spellings) generations.

Branches will be assigned a number as they are published. If your branch connects with another branch and if you so inform the editor, there will be a merger and the earlier branch number will prevail, the latter branch number will be retired.

Time does not permit me to correspond individually with you about ancestral problems and still produce this booklet. Your queries and lineages will be printed in this booklet series where many will see them. The booklets are in various libraries throughout the United States.

Together, we can preserve our heritage, find new cousins and help each other connect the missing links as well as help future researchers.

The booklets are available for a modest publishing fee for each volume. For more information write to:
