Re: LITTS Family History

Paul,

My mailing address is:

Roy Litts
6320 46th St. Ct. W.
Tacoma, WA. 98466

I'll contact Dean and ask him if it's okay to give you his address.... although it's probably in the phone directory.

Send your return address and I'll send you the info on my brothers, sisters and kids.

Roy

Re: LITTS Family History

Mr Thompson,

As with most families in America, we don't have a family tree. However, I can provide you with as much information as I have.

My grandmother, Winnie Dee Litts, was born Winnie Dee Lybargar in Tennessee on July 23, 1892, she died on May 2, 1985 here in Tacoma, Wa.. Her father's name was Charles A. Lybargar. She married Edward Litts and they had 3 sons; Dean Litts, Edward D. Litts, and Roy Albert Litts. She was a twin and had at least 2 other sisters (4 total). I have no further information on Edward Litts.

BORN ≈ 1895 CA
(ST JOE)
BOLEW, MISSOURI

-9797 79

-9794

(1) DOROTHY (DY)

There son Roy Albert Litts, died sometime in the 1940's, I think I have specific dates, but they're buried away in boxes. He had no children. He was the youngest of the 3 boys.

Dean Litts, was the oldest. He currently lives in Watsonville Ca. I don't have any specifics on his birth. He has been married twice. He has a daughter, Louis Litts. Last I heard she was living in Denver.

-9799

My father, Edward Donald Litts, was born May 14, 1925 in Mossurri, I thing Kansas City. He died December 3, 1989 here in Tacoma, Wa.. He married Ruth McVey, my mother. She was born in Salem Or. on January 31, 1930 and currently live here in Tacoma, Wa.. Her parents were Roger McVey and Pearl Bradford. Roger was born in Idaho, and Pearl in Quebec, Canada. They are both deceased.

My father and mother had 5 kids, myself, Roy Albert, Kenneth Allan, Ann Marie, Glenn Keith, and Linda Lee. We are all currently living here in the Tacoma/Seattle area. All but my brothers Kenneth and Glenn have children.

Please send me any information further information you have, or may receive on the Litts family. I may someday wish to build a tree.
