COUNTIES ON THE JAMES RIVER IN 17TH CENTURY VIRGINIA  
 (from Boddie 1938)

MANER FAMILY HISTORY:  
THE FIRST FIVE GENERATIONS

The name Maner (also spelled Maynor, Mainer, Minyard, Manners, &c.) probably derives from the name of a small town, Mesnieres, near Rouen on the lower Seine River in northwestern France.

John<sup>1</sup> Maner, the progenitor of the Carolinas family, appears first in a deed of trust dated July 2, 1672, in Surry Co., Virginia, as "John (his ~~W~~/mark) Minor." An important document mentioning John<sup>1</sup> and his son, John<sup>2</sup>, was recorded in Surry County Order Book No. 3, page 16:

January 31, 1684/5. Indenture made between Nath<sup>1</sup> Witherington on one part and Jno Maynor on behalf of his sonn, Jno Maynor, also the said Jno Maynor Jun'r on ye other part witnesseth that the said John Maynor Sen'r considering the good of his son doth agree that the said Jno Maynor Jun'r shall serve the s'd Nicho Witherington until he come of age of one and twenty he being nine years old next Xmas the said Jno Maynor Jun'r being consenting to the same. At a Court held at Southwark for the County of Surry 7th March 1698/9  
 This day appeared in court John Maynard Ad'tor of John Maynard dec'd  
 and made oath that above superscribed contents was a — and per-  
 fect Invent'ry of the said deceased of Late.

By 1711, when he was appointed a Justice of the Peace by the gover-  
 nor and council of North Carolina, John<sup>2</sup> Maner had resettled in Chowan  
 District, North Carolina, at Pettys Shore on the west bank of the Chowan  
 River (now in Hertford Co.) (perhaps originally "Peter's Shore"). The  
 following record appears in Chowan Deed Book B #1, Deed 1654, page 10:

July 21, 1715. Court held. Ordered that John Mainer be Con-  
 stable from Weecacone [Græek] to Meherrin [River].

In 1722 Bertie County was formed from the Chowan and other Districts,  
 and the following item was recorded in Bertie Co. records:

Bertie Co. January 25, 1722/23. John Smithson, mer[chant], of the  
 Sloop "James and Mary" of New England for as much as my lawful busi-  
 ness requires my return home from Petty Shoar in North Carolina  
 where above said Sloop lyes at anchor in the river upon said shoar,  
 appoints Robert Evans his attorney to receive my outstanding debts  
 in North Carolina and Virginia.  
 Wit: John Maneor, Elizabeth (X) Manner.

John<sup>2</sup> Maner died in spring 1729 in Bertie Co., leaving the following  
 will:

In the Name of God Amen. I John Maner of the Province of North Car-  
 lina and Bertie Precinct being sick and weak in Body butt of perfect  
 sence and memory thanks be to almighty God for the same and consider-  
 ing the mortality of this life do make ordain and appoint this to be  
 my Last Will and Testament in manner and form following, viz.,  
 I bequeath my soull into the Hands of Almighty God and my Body to be  
 Buried in a Decent and Comely manner at the discretion of my Exec-  
 utors.

Item: I Give and bequeath unto my son William Maner 200 acres of  
 Land known by the name of Pet(e)rs Oat Field.

Item: I Give and bequeath to my sons Henery and Jacob 170 acres of  
 Land to be divided between them but Jacob to have the Plantation.

 to him and Rec'ved pay for.

Item: I Give all the Remainer part of my Estate to be Equally Divid-  
 ed Amongst my children after my debts are paid.

Item: I appoint my son Henery Maner Executor of this my last will  
 and Testament. In witness whereof I have hereunto set my hand and  
 fixed my seall this twenty first Day of Feb'ry 1728/9.

Presumably Henry was made executor because William<sup>1</sup> Maner, the oldest son, had already removed to Onslow County. The following deed shows him a resident of Onslow Co. in 1730:

November 8th, 1730. William Mainer, late of Bertie Precinct but now of New River, sells for £30 to Henry Mainer of Bertie, a tract of land in the precinct at a red oak, &c., 170 acres [the land bequeathed to Henry and Jacob in their father's will].

Wit: Wm Lee, Thos. Lee

William<sup>his</sup>  
mark Mainer

In 1741 William<sup>1</sup> Maner received a grant of 640 acres of land on the east side of New Branch of New River, as shown by the following 1747 deed:

Onslow Co. Deed Book C. 1747. William Maner to brother John<sup>3</sup> Mayner and his wife Elinor a gift of 100 acres of a 640 acre tract in Onslow County where John<sup>3</sup> Maner now lives, which 640 acres was granted to William Maner on May 22, 1741. John<sup>3</sup> Maner is to pay 4 shillings a year to William Maner and to hold said land as his own for his life time and then this deed to become void.

This land was conveyed again many years later:

Onslow Co. Deed Book O. March 18, 1784. Cox sold to Jarman for £40 50 acres on East side of ~~New~~ Branch of New River, being part of the grant to William Maner, dec'd.

The last record of William<sup>1</sup> Maner in Onslow Co., North Carolina, is the following deed of 1754:

Onslow Co. Deed Book C. Aug. 3 1754. William and Sarah Maner sell to Benjamin Stedham 640 acres of land for £120.

Test: Charles Cox, Moses Cox, John Maner, Jr.

William<sup>1</sup> Maner's wife, whom he married about 1724, probably in Bertie County, North Carolina, seems to have been the daughter of John Keel(e):

Nov. 18 1736. Will of John Keel of Onslow Precinct, Bath County [North Carolina]; to John Mainer and William Mainer, Jun'r, sons of William and Sarah Mainer, apiece 3 cows and calves; to said John Mainer, a mare colt; to said William Mainer, Jun'r, a two year old heifer. Nathaniel Keel, brother, Executor.

The earliest record of the Maners in Granville County, South Carolina, is a deed of land to John<sup>4</sup> Maner, the elder son of William<sup>1</sup> given the cows, calves and mare colt by his grandfather Keel in the will above:

Granville Co. Deeds. September 17, 1755. To John Manor, 350 acres of land on Stevens Creek.

Wit: John Royall, Henry Beddingfield,  
William Maner, Sr.

This land lay on the northwest side of lower Stevens Creek, close to its confluence with Savannah River, in present-day Edgefield County, South Carolina. Less than a month later William<sup>1</sup> Maner, John<sup>4</sup>'s father, petitioned on Oct. 7 1755 for 150 acres of land (50 for himself as household head, 50 for his wife, and 50 for one Negro). The land surveyed for him in Dec. 1755 is on Savannah River itself, just below the mouth of Stevens Creek on the South Carolina side, in old Ninety-Six District. (It was actually granted on Oct. 23 1765 to William<sup>1</sup> Maner, and sold in May 1774 by Samuel Maner as land "granted to William Minear, grandfather of said Samuel Minear.")

William<sup>2</sup> Maner, the son of William<sup>1</sup> and Sarah who was bequeathed cows, calves and a heifer in his grandfather John Keel's 1736 will, petitioned for 150 acres of land lying on both sides of Stevens Creek and adjoining the south side of his brother John<sup>4</sup>'s land there. This land was surveyed for "Wm Manear" in 1756, though actually granted in 1765 to one John Scott; William<sup>2</sup> probably settled on his father's land on Savannah River, but before long bought the 150 acres of land from Scott.

In February, 1759 William<sup>1</sup> Maner petitioned for 100 acres of land on Savannah River in the Province of Georgia, in Halifax District not far from the Burke and Screven County line. This area lay then within St. George Parish, Georgia. In 1760 William<sup>1</sup> petitioned for 300 more acres there, headrights for his wife and 5 Negroes. In 1764 he was actually granted the full 400 acres, but apparently returned to South Carolina in 1765 and died there not long afterward. The bundles containing his will and inventory were destroyed in the Civil War, but a surviving Index to Loose Papers, Vol. 1, lists Wm Maner Acct. Sales, Bundle 9R, Case 45, and Vol. 2 lists Wm Manor Inventory, Bundle 9Q, Case 33. No date is given.

John<sup>4</sup> Maner married Mary — about 1749 in North Carolina, came to South Carolina with his parents and resettled in the Province of Georgia in 1758. In 1759 he petitioned for 400 acres in St. George Parish, and in 1764 received a grant of 300 acres.

William<sup>2</sup> Maner died around the beginning of 1774 in Granville Co., South Carolina. He left no will, as the following record of his administra-

tion attests:

January 19th, 1774. A citation granted to Samuel Maner of St. Peter's Parish, Granville Co., South Carolina, to administer on the Estate of William Maner, late of the Parish and County aforesaid, dec'd, as next of kin.

On March 5 Samuel qualified as administrator. The following is from Charleston County Inventory Book 1772-1776, page 414:

A True Inventory of the goods and Chattels of William Maner, dec'd, of Steven's Creek, 96 District.

1 Negro Woman named Grace, the child	
named Pat	400-0-0
1 Negro Man named Tammy	500-0-0
1 Negro Boy named Warrick	300-0-0
1 Negro Girl named Dinah & feather bed	
1 old gun and Carpenters Tools	4-0-0

The Negro Girl Dinah and feather bed in possession of Mary Maner who refused to deliver [and was sued by her son Samuel.]

The following records from Effingham Co., Georgia, indicate that John<sup>4</sup> Maner died late in 1771:

October, 1771. John Maner of St. Matthews Parish, Georgia, planter, sells to Samuel Maner, Yeoman, of South Carolina, 8 Negroes ....  
Wit: Joseph Cartlidge, Samuel Bostick.

January 7th, 1772. Mary Ann Maner, widow of John Maner, petitions for 200 acres of land on Little Kioka joining the upper line of Edmund Cartlidge, Jun'r, in St. Paul's Parish, Georgia, stating she has 1 child and 1 Negro, and has never had any land granted to her.

January 8th, 1772. Mary Ann Maner, widow, of St. Matthews Parish, Georgia, took an oath to administer the estate of John Maner, dec'd, of the same parish.

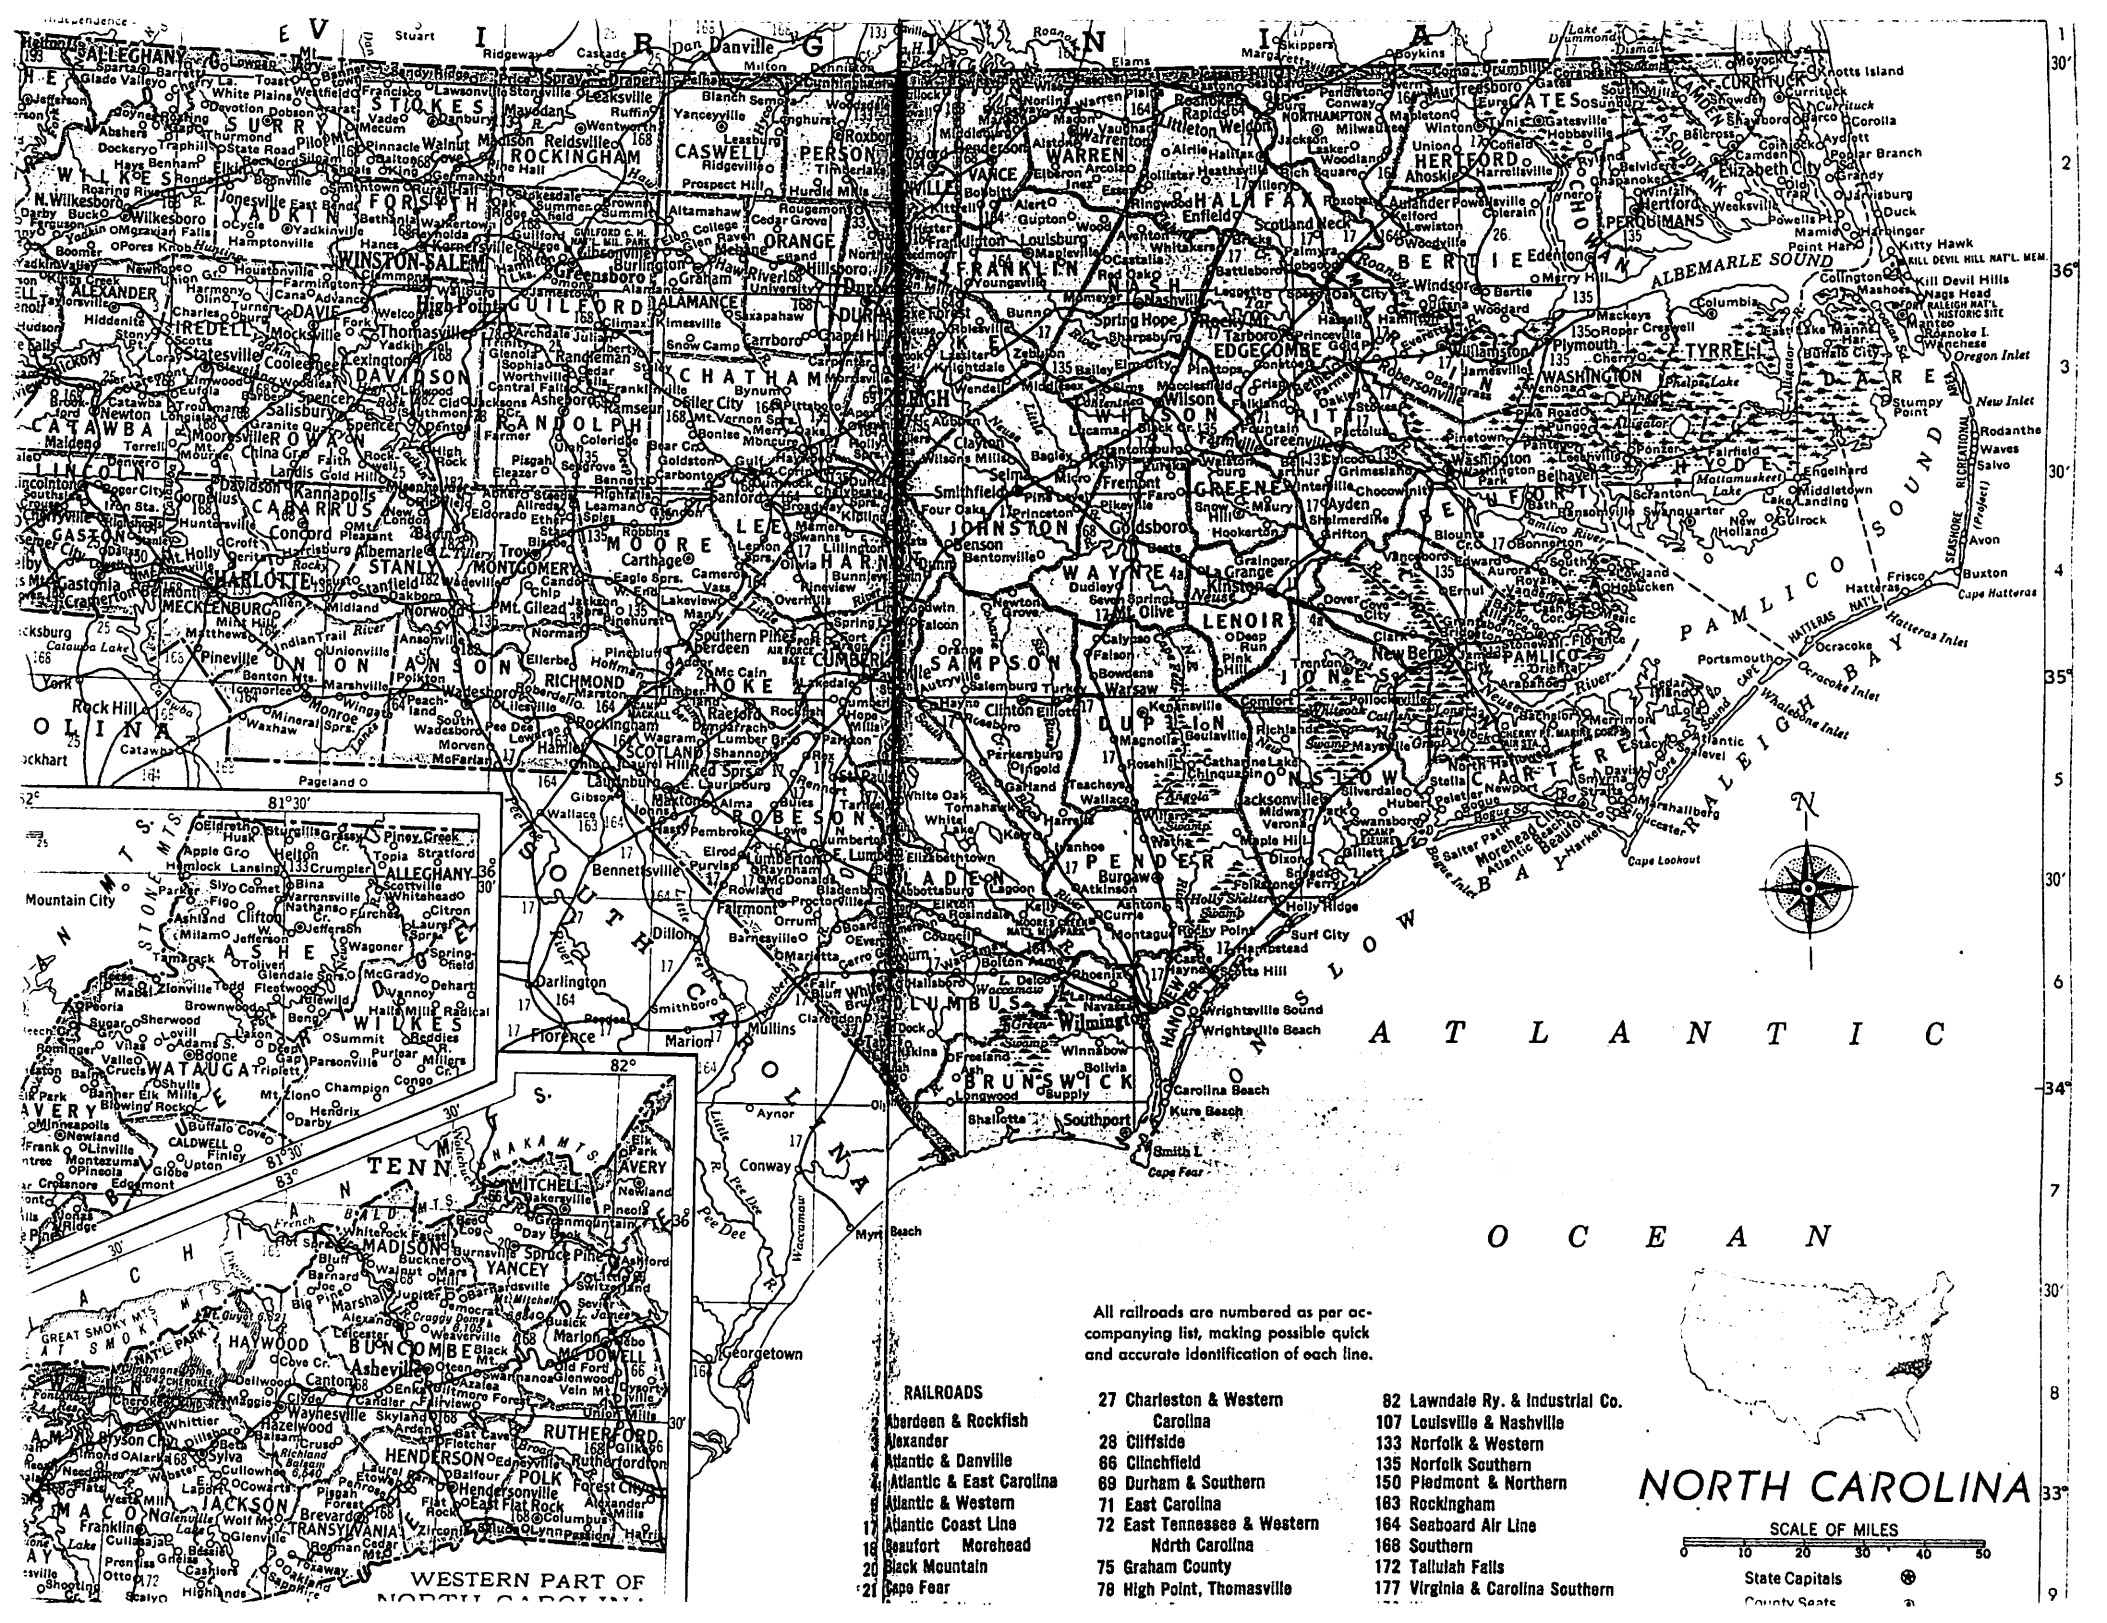

Rather extensive records of the brothers Henry, Jacob and John<sup>3</sup> Maner exist in North Carolina. The final notices of these three seem to be the following:

Hertford Co., North Carolina Wills and Administrations 1760-1773.  
May 1770. Will of Henry Mayner - Sarah Mayner, Executrix.

Onslow Co. deed Book N, page 42. June 23, 1780. Jacob Maner and Abigail Maner to Henry Maner for 5000 pounds, 50 acres at the Mill at the mouth of a small branch to the head of Jacob Maner's line to Cox's line.

Test: Henry Gibbons, Christopher Huffman

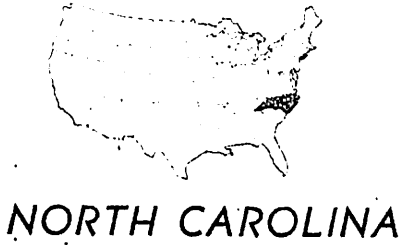

Duplin County, North Carolina. Minutes of Court of Pleas & Quarter Sessions, Part 4, page 92. July 19, 1797. Appointed Sampson Grimes, et al. a Committee to divide the lands of John Mainor, dec'd & report to the next Court.
