Dear Cara,

This, of necessity, will be brief. Time does not permit me to write now today.

I'm sending you copies of some family history that may be interesting to you.

Marie (McKenzie) Rodrig gave it to me. Marie has been known by my parents (+ me) since I was in grade school. Her brother married a friend of mine (who was one of our Pastor's daughters when I was a little girl).

Little did I know that we were related by marriage into the same McKenzie family. I just learned this 4 years ago. She was here in Lancaster at our Church 2 weeks ago + we had a nice visit. She is a lovely lady. Very well educated and

a very excellent speaker. She came to speak to our daytime Ladies Bible Classes. There were 115 present that day.

She sent this information to me so I could send it on to you. I made copies because Bill wanted to keep copies.

She tells us that there were several McKenzie families that settled in No. + So. Carolina many years ago when they first came over here from Ireland. This a very interesting story.

I know you'll get this after Easter is over but I hope you have a blessed Easter day. (whoops - no - you should get it just before Easter. I'm getting ahead of myself --- we are always working on things so far ahead. Our Easter Musical + Drama will be Fri, Sat. + Sun. at 7:00 P.M. must be. It is beautiful. Wish you were

Here to enjoy it with us.
