

Cora I think you must have gone to King School on 19th Street do you remember any thing at all about where the school was located. King is on N. 19th out close to where you lived I suppose. Any way there was a Meyers School on 13th & E. Main which my daughter went to (see 1st School) I believe Mrs Howard was her teacher & Miss Anna Sadler. Hope this will help you remember as I do not know how old you were at that time. but I guess King School had been built but not to many school in V.B. at that time its grown & grown since
