Dear Rev. Peeples:

*Bartlett Milam, born Laurens Co, SC 24 August 1800, married Elizabeth Bell, dau of James and Sarah Bell. After Elizabeth died, Bartlett married/2 Mrs. Fannie Miller Feltman and m/3 Mary Jane Heath. Bartlett is buried Enon Church, Meriwether Co, Ga. He and Elizabeth were parents of nine children. This data furnished to me by his descendants who joined DAR on this line.

Talledego Co, Ala. 1850 census:

#512	Bartlett Milam	age 49	farmer	born SC	(son of John and Sarah Fuller Milam)
	Elizabeth B.	48		SC	
	Mary B.	21			(Mary Bell Milam married George Wm Harlam
	John T.	20			(John T. married Elizabeth Wasson
	Tandy W.	17			(Tandy Walker Milam married Mattie Madden
	James N.	15			(died 1862 single
	Sylvanus G.	13			(Sylvanus Gibson married Leah Griffin
	Martha S.	11			(Martha married Frank Machen

Other chn of Bartlett & Elizabeth were already married:

Caroline Milam born 1823 married Dempsey McCarter
Paulina Catherine Milam born 1829 married Seaborn Dean. She died 1908 and it was her data.

Bartlett's 2nd set of children by widow Feltman were:

1. Thodosia Ann Milam who married James Kelly Fuller
2. Leander Jones Milam (called Lee) DAR line
3. Fannie

Thodosia furnished much data on the Milams and Fullers of Laurens, visiting here many times during her childhood.

Bartlett's 3rd set of chn by Mary Jane Heath were:

1. Frances Bartow
2. Lizzie who died in Laurens at the home of Ferril and Dolly Bailey Milam
3. Rufus Madison
4. Thomas Jefferson

I am enclosing chart on Milam family which might help you. I am sorry that I have been no help as yet. Write *Robert N. Milam, 2212 Lynn Road, Huntsville Ala 35810 whose Milams were from Tenn. He has lots of data, some of which I furnished him.

I appreciate your kind words in regard to my genealogical work. I needed them! Sometimes I feel that nothing is being done. I am behind with data for the Biographical Book being done by Miss Inez Watson and the House of Rep., with data for Nat'l Register, for the unveiling of Revol. marker for my ancestor Judge Charles Allen, plus much more. I wish for 24 hours and 24 hours of sleep. I shall keep my eyes peeled for anything at all on your Coleman Milam. I suspect you will find your data in Tenn and Va. as I have seen very little (deed) in Laurens.

Sincerely,

Laura
