Dear Mr Peopls,

In review your letter of 1 Sept 1991 I feel I did not do it justice nor you. So I'll try to answer the questions now that I have a few minutes. This Leak family is keeping me busy recording, copying, researching & mailing out info that I've copied and other that someone else has shared with me.

First enclosed is a tid bit on the Ligon family. you may already have this info.

Second, we all feel William Leak Sr does descend from William & Mary Bostick Leak from Goochland but we haven't proven it yet. I have them William & Providence back to Caswell Co. N.C. 1779 and to Laurens Co S.C 1796. James & Frances ? Leak Sr was the first of this line to go to Greenville Co. S.C. but I believe Josiah was there at that time in York Co. We haven't tied Josiah to Wm. & Providence Leak but we're still researching. I don't know who John Leach who witnessed 1889 will

of John Milam in York, S.C.
 We have not I.D. John Leak in Union Co.
 S.C. yet either. We're all going on the assumption
 that she was Elizabeth Leak that married
 Coleman Milam till other proof arises.

William Le brought the 80 acres in
 Laurens Co., S.C. while still in Caswell Co
 N.C. in Ca. 1782. I have a copy of the
 deed but don't have time to dig it out
 of the files. He sold 640 ac. (acquired from
 a grant from N.C. 1779) sold it in 1782
 also.

If you find any new info on the
 Leak clan please share and I'll do like
 wise with you.

Best regards

Eric Reynolds
