Dear Rev. Peoples,

I found in some old research from The Latter Day Saints Church Genealogical Dept. Elizabeth Leak b. 1791 Laurens Co S.C. spouse Coleman Milam 1811, no name for her parents. Usually the parents name follows the date of birth. So this is proof that Coleman did marry Elizabeth Leak.

I'll check for the Milam children in Laurens Co. S.C. and Tenn. on my next trip to the LDS genealogy dept.

I thought you might find this of interest.

Keep in touch.

Sincerely

Eric Reynolds
