Dear Rev. Reupls,

Now that I have time to spend on genealogy instead of at the Nursing home with my mom, I am reviewing all correspondence on the Leak clan.

I agree with your theory about Elizabeth Leak Milan along with another person. I can't find the ^{story} correspondence, I'll search later and if I find it, I'll turn it & forward it to you.

James Sr was the first of my Leaks to settle in Greenville Co. S.C. from Caswell Co. N.C.

Barbara Harrell from Texas has written a book on the Leaks from S.C. But she has errors (several) that has been proven errors. I can't quote her theory.

William Leak ^{Sr} purchased 80 a. in Laurens S.C. (Lawrence Co.) before he came to S.C. The deed is in Caswell Co. N.C.

I am going to N.C. & Va. this week end to look for more facts on the S.C. Leaks.

Several of James Jr. (my line) emigrated
to North Ala - 1877 and 1884 from
S.C.

I checked my book on Laurens
Co. Cemts. I found several Milan's
but no names or dates matched.

Do hope you are doing fine.

My apologies for taking so long to get back
to you but priorities came first (my mom).

I do hope you won't take as long as I
have to respond.

~~Do you have~~

I do hope you've gotten more help
in solving the questions that than I've
given.

Keep in touch

Best regards -

Sincerely

Eric C Reynolds

P.S. If I find any facts on James +
Frances Leak Sr on this trip, I will
share them with you. My computer
is down also.
