Dear Mr. Dr. Pupts,

Since I haven't heard from you since
~~my~~ I answered your letter of 8 May '91

I thought I would write you again.

I would like to compare info with
you on the Leak (e) Clow of Laurens, SC.
according to my records. James Leak Sr
b: 1765 m. ca. 1784 d: 1839 Pike Co Ga. is
the son of William & Providence Bryant
(Briant) Leak Sr.

There are speculation about Jeremiah b: 1780
d: 1853 Laurens Co S.C. being James Leak Sr's
brother but no proof has surfaced yet.
She could have been James Leak & Frances
Leak's dau. but I haven't seen any thing
to prove it yet either.

Do you have any documents to prove
she was a Leak? Please advise.
according to all the records that I have
seen.

1. James Leak Sr b. Culpepper Co Va. m.
Frances (Frankie) _____?
2. Rev. William Leak Jr m. Martha A Simmes
Several Leaks married Halland's, Coleman's,
Hanner's, Adair's, Thomason's, Leak's also.

The S.C. records are so poor that I get really angry when trying to prove something from S.C.

Like I said Elizabeth could have been James & Frances Leak Sr's daughter but I do not have any proof of that fact but I do not have any proof otherwise either.

advise me of your findings

Sincerely

Eric Reynolds
