Ann Jackson Day 1781-1824 dau of
Wm Day & Eliza -

In the family Bible I have the birth dates
of the above pair, also marriage
record and death dates - so, from
these I think Ann Jackson Day must
be correct, not Fessiah Day - They had a
dau. named Fessiah Ann born 1810 - I feel
the Fessiah was a slip of either "tongue telling"
or "pen writing"
