Dear Mr. Peeples:

Dr. Louis' wife Lella came to see me in search of more information. She told me that you hoped to get your records to the editor in a short time. This threw me into a panic, you did not get the history of the Miles family now alive. I am enclosing a list of them. I felt so guilty because there are other Miles lines I could give you. Elizabeth Horlbeck is closely connected. Her grand mother Ann Waring Pyan was my grand mother's dearest loved half sister who married my grandfather's brother Robert Smith Miles. If you want all of this stuff, appoint any Friday, call me the preceding Wednesday if you + Mrs. Peeples come back for another day of study. I enjoyed your visit very much & will be very glad to see you again.

Love to you both,

Sincerely

Sue L. Miles
