Dear "Cousin"

This is our Peebles connection. Unfortunately I have no
more on John Peebles d. 1796 or his father Stephen.

To explain

Hinschaw is "~~Compendium~~ Encyclopaedia of American
Quaker Genealogy — abstracts of church (monthly meeting)
records commissioned by a Mr. Hinschaw. Vol. VI is the
entire Virginia meetings Vol. V is western Ohio
The abstracts used a "code"

RMT = reported married to

GCT = gets a certificate to
(transfer of church membership)

Springbrough m^m — I don't have the location
of this in the information I have in South Carolina now.

There is a ^{village of} Springbrough ^{today} west of Franklin Ohio, south west
of Dayton — Clinton County is South East of Dayton Ohio

Sylviah Peebles is in your Peeples - Peebles genealogy.
