Dear Dr. Peeples,

I certainly enjoyed our telephone conversation today and hope you'll change your mind about visiting California again. We have room to put you up, and would really enjoy a visit.

Enclosed is the \$2300 discussed and we'll certainly look you up on p. 23 along with other Peeples/Peebles and maybe even a Hay.

If you happen to hear about any Episcopal churches close to Pasadena which are more like my grandfather's church in Coronado (he was the Rev. Charles E. Spalding), we'd certainly be interested. However, my aunts in Coronado and La Jolla probably have done whatever's possible in this regard.

Thanks again and very best regards.

Sincerely,

Bill Hicks
