Dear Robert and Cara -

Have just finished the Huguenot
Transactions no 89, all about the
Jourdons. Always look forward
to the latest publication for I know
you'll have something really interesting
and exciting.

Why don't you do a paper on
our William Henry Lavoton 1775-
1827? He's just always mentioned -
Surely there are some interesting facts
about him and his wife Catherine
Manew - and I know you could
really put it all together.

When is the Family Reunion
to be held this summer? I can't
believe it's been 15 yrs since we
first came to Hilton Head - Was
the year Cynthia (our son Robert's
sister) was born - and she'll be
15 yrs old this June 2 -

We do hope we'll be able to get over
that way - Bob is having his
plane re-furbished and will be ready
and willing to fly!

We are so glad Ruth Thomas
and the relatives were able to
get over last summer. She really
enjoyed herself and had a
wonderful time. I never thought
she'd ever make the effort
to come to a reunion - We talk
over so often and go up in the
Country to visit her -

Do think about the paper
on William Henry!

Hope to see you this summer!

Fondly,

Mene and Bob
