Dear Robert:

Thank you for all the information you so graciously sent me in your last letter. Yes, it did take quite a while to take it all in.

Enclosed is the abstract of the will of Jacob Platts which you requested. I've also enclosed copies of some plat maps of the Crim's Cre ek area which will interest you.

\* I've been unable as yet to get any information on "the Organ Church settlement" in N.C. where John Adam Epting and his group spent over a year on the ir way to S.C. The thesis from which I got the information is filed at the Lutheran Theological Seminary in Columbia. Rev. Marion W. Clark, the authôr, is presently pastor of St. John's Lutheran Church, Clinton, S. C., 29325. I've written him seeking more information from Mr. Houseal's radio talk of Nov. 1935, but understand he had the misfortune to break his leg and has been out of commission.

Do you know anyone who may have the genealogy of the early Rowell/Rowel family in S.C. Since Bill and I both have a Rowel/Rowell ancestor, I've got to find out about them. Any help you could give would be deeply appreciated.

Best regards,

*Elizabeth Teague Davis*
