Rev. R. E. H. Peoples  
Hilton Head SC,

Dear Mr. Peoples -

Am sorry I can't help you with the family tree. Am a descendant of Frederica Mole, and tried to get a family tree - talked to the late Dr. Willie Mole of Bronson and Dr. Edgar Mole's widow of Hardeeville -

Frederick Mole had several children but could get a line from only two of his sons - Jacob and Willie. The Males around Hampton County apparently come from another son. There were 2 or 3 daughters, one married a Bronson, I was told. Have not been able to get a line on any of them.

There's a Mr. Male above Bronson that might help you.

Am sorry I am not able to help you - would love the information myself -

Sincerely,  
Jos. J. Mole
