

Will have two Bachelors Plates waiting for you to take

Dear Cousin Carolyn and Robert,

Just a note to tell you that I have mailed out Reunion announcements to newspapers in several states, N.C., Ga., Fla., and S.C. including local county. I have also mailed several letters to over thirty select cousins hoping that they will contact their cousins. The Baptist Education hall is reserved for our meeting from 2 PM to 4 PM Sun 16 April 89. I am depending on the slide presentation and looking forward to seeing the slides. I hope that you, Carolyn, will bring the pictures of my mother and father. Robert, I wish that you will open with prayer. Later I will present you as President of the First Families.

I am thinking out loud when I say that a marker to George Rhodes or some plan to study erecting a marker be considered. Also, I think some fund for reasearch could be considered. I am sure that it cost many dollars to present and mail and Xerox copies necessary to promote this type of reunion. I understand that David Rhodes has a daughter who works for a lawyer in Hampton. We do need a Secretary. I have a beat-up Typewriter but, I cannot blame my spelling and typing on the typewriter. Maybe my daughter was serious when she said that she would give me her old electric typewriter. These new ones that correct must be something.

I am thinking about having Descendents of Thomas Wright Rhodes sit in one section and Descendents of George Rhodes sit in another section. W ouldnt it be somethin if we had to worry about crowd control.

I received a nice note from Elizabeth Louise Ellis Kepp, Corpus Christi, Texas. I wish that we had a family tree of each family. Cousin Kepp will not be able to come. She plans to go on the Lawton tour this summer.

Thanks for your efforts and looking forward to the Sixteenth, and regards to you and yours, I remain

Cousinlly,

Milton
