Dear Dr. Seeples,

We are just returning from our vacation & your letter was received yesterday. I'm enclosing \$20 for the book but if I'm too late for the discount just return the check.

I am interested in the book because of the mention of the Rhodes family. Thomas Rhodes was my great great grandfather. He was born in Lumberton, Robeson Co. N.C. & died 5 Nov. 1839 at Curran, Ohio. He was the son of Jacob Rhodes

who was the son of Benjamin Rhodes who died in 1804 in Duplin Co., S.C. I have no idea if this is the same Rhodes family. One of my sisters joined the D.A.R. through this family.

Thank you for your note, your good wishes and interest.

Sincerely,  
Beatrice H. Duncan
