Dear Robert:

Well my Preaching Cuzan, Bill Roberts of Houston, went to England, but did not search. He promises to, the next time, and go into Wales.

It seems to me, we should search in Columbia, S. C. Archives the following:
Registers Records 1675-96; 96-03; 1705-08 etc
Secretary's Records List of Immigrants & Land - etc
Land Warrants Should give names of Rev. P. Robert Children
Council Journals
Assembly Journals

All of the above for: Rev. Pierre Robert; Pierre, Jr; Jean/John; Elias; Benjamin, and any of the name Robert. (1685-1750 appa)

To date, I have not been able to get the Marriages & Baptisms in the Publications of the Huguenot Society of London, at Houston, Texas. Perhaps, I can during Christmas, which we expect to spend there.

There should be some Pay Records, for Rev. Pierre Robert 1706 to his Retirement 1710-12, somewhere at the Archives in S. C.

There has not been very much Family History done here the past 6 mos., and I do not know that I will try next year.

Recently, I have the name of another of Jacques Descendent:
Mrs. Kenneth L. Wickett; 2461 Ridgmar Plaza, Ft, Worth, Texas
76116, who has been doing some work. Have written her, but no reply, so far.

Mother has had a few rough weeks, but the year has not been too bad on her, at 90 years.

Hoping you-all have a fine Christmas & that 1979 will be Good to you, I am,

Very best regards,

Edward
