Dear Cousin Bob,

Many years have rolled by since last I saw you or was in touch with you, and while you may have forgotten me, I remember with cherished fondness our meetings, sharing of family records and the annual South Carolina reunions. Unforgettable experiences!

I am preparing the DAR paper for my cousin, Mary Carmen Maulea Hiott (see our connection p. 168, "Three Pioneer Rapides Families.") DAR has requested proof that Peter Robert died intestate 19 Dec 1807 in Wilkinson Co., Miss. My source came from a letter you wrote Maryjo Young of Houston in 1984 and so I am turning to you for your proof. Did it come from a legal record in Wilkinson Co. Miss.? If so, what is the reference? I verified all of the other facts you stated in the letter - but could not find date of death.

I am still extremely interested in searching for the missing pieces of the family puzzle, but have so little time to indulge myself. I have a 3-year old grandson and an adopted 9-year old grandson and we spend much time together. My son's vocation is law, but his avocation is breeding of thorough bred horses — his Kentucky blood just had to come out!

By the way, what ever happened to Anne Grinball? Where and when did she die — There is no mention of her in the records I have searched in Wilkinson Co., Miss.

Thanks for any help you can give me. My best wishes to you and Miss Cora.

Sincerely,
Eleanor

P.S. Stafford gives "H" as the middle initial of Rev. Alexander Scott, but his will in Wilkinson Co., Miss gives "J". Have you any information on him + his parentage?
