Rev. Peoples

Please forgive my taking so long in my reply.

I am doing the Roper line for a cousin of mine on my mother's side.

There were two brothers Benj. and R.W. (what the initials stand for I don't know) but from Cemetery records of Benj. they were from James City, Virginia.

The two brothers were in Pickens Co. Alabama 1830; Benj. being elected Shiriff, R.W. is the line I am searching and I have nothing on him or who he married.

His wife and Children were in Chickasaw County, Mississippi by 1880
