

JAMES W. BAKER

15 FEB. 90

To: THE HISTORICAL SOCIETY  
HILTON HEAD, S.C.

My GRANDFATHER: JAMES H. BAKER

Enclosed find a copy of the  
Biographical Portrait of my grandfather.

Note the reference in paragraph 3  
to his service in the Civil War - and  
in particular Hilton Head and the  
Battle of Port Mifflin.

I would appreciate any information  
that you could furnish me about

the references to <sup>the</sup> "FIRST RHODE ISLAND  
COLORED BATTERY" - as it may relate  
to any battles at HILTON HEAD (or,  
that you may know about) during  
the Civil War.

If you have no information I would  
appreciate if you could direct me to  
anyone that could help.

Please get free in calling ME COLLECT  
for further discussion as it may  
relate to this letter - cost - etc

Most sincerely  
and "Thank's"

James W. Taylor
