Dear Cousin,

Was looking over my letters the other day and ran across yours. It's been a long time since I heard from you. Hope you still remember me — Jerry Teague — a cousin to you on the Cater side and a cousin to your wife on Milam side.

I would like the following if you can accommodate me:

- ① The story of the duel and death of Richard Baker on May 31, 1752
- ② Any information on Ulysses Manen Robert, JR and wife, Gussie Harris, niece of Gov Isham(?) Harris of Tenn. (Harris lived here in Paris, TN where I now reside).
- ③ Also address of Russell Cross, our mutual cousin. (Cross # 29436)

Donna and I moved to Paris, Tenn this past April. We have purchased a home here. We are in some turmoil as to getting everything back in order and getting back to work on my genealogies.

Hope you can help me with the above
Your Cousin Jerry R. Teague
